- Offers firm compression
- Same product as style 26C, manufacturer recently changed the style number to 26PW
- Triple filtered cotton lining provides superior absorption and perfect comfort
- Hastens weight loss due to high compression, perspiration and micromassage
- Reduces your waist line immediately
- Immediately firms and flattens the abdomen
- Corrects your posture immediately
- Promotes a quick postpartum recovery (consult your physician)
- Relieves most kinds of lower back pain (consult your physician)
- Flexible boning prevents the garment for rolling up
- Double hook and eye front closure
- Daily recommended use: 8 to 10 hours
- To wear, start from the bottom hook and work your way up to the top
- IMPORTANT REMINDER: (1) For best results, select the girdle that corresponds to your correct size. Using a smaller size will not obtain the desired shaping. (2) Fit might be too tight, if you're not used to firm compression garment. Comfort will take place after a couple of minutes or after a couple of times wearing it. We suggest a size bigger from the chart if you don't want it firm and prefer moderate compression
- USE INSTRUCTIONS: (1) Hook it up from bottom to top and unhook from top to bottom. Do not pull hooks when removing the garment. (2) Warning: Sharp objects or long fingernails may damage your product
- CARE INSTRUCTIONS: (1) Wash before using to avoid skin irritations. (2) Do not machine wash. Use damp cloth to clean it. (3) Line-dry in the shade. (4) Do not bleach. Do not machine dry. (5) Do not use any kind of cream or gel while wearing this product
- Material Contents: External side: 100% Rubber, Lining: 100% Cotton
